good morning ladies

i had a fairly productive evening. i weeded the garden and pruned the roses and then watered everything and cleaned out Ronin's pool. Then took him for a walk. Then Derek and I went to Babies R Us and got Kristine's gift and then went to KMart and got Sharon a gift for her b-day. Then we grabbed food to bring home. After dinner we pretty much just went to bed because it was already 9. I was too lazy to take a shower and I said I would get up and take one this morning...that never happens...so I am gross today.

i emailed my dad yesterday to see how things were going and he said they were trying to arrange hospice care for carolyn and to send her home - but still do the chemo. they dont have a lot of hope for her he said. I figured that was coming. He said they might go up to Jacksonville for a second opinion just to be sure they did all they could. he didnt say much about how long they are giving her. I suspect that it will not be too long if the chemo does not seem like it's doing it's job.
